

# The Friends of Auburn Recognition Wall and Veterans' Memorial

*Located in beautiful  
Auburn Park at Auburn  
Road and US-10*

The City of Auburn is pleased to present the Friends of Auburn Recognition Wall, and reintroduce our Veterans Memorial, both located in Auburn Park. This beautiful tribute installation pays homage to our donors, residents, volunteers and veterans, as well as celebrating our City's many accomplishments over the years and those who helped achieve them. This installation will serve as a space where donations may be made in the name of loved ones, and to honor our veterans and those who have made significant contributions of resources, time and service to the City of Auburn. Funding will be used to improve and maintain Auburn's parks and recreation areas, or for projects as designated by the donor. To order your Recognition Wall Plate or Brick Paver, please fill out the application on the reverse side of this flyer. When received, a staff member will call you with details. Thank you.
